## Musing From the Pastor: Rev. King Harris

2 Kings 3:15-18

15 “But now bring me a musician.” Then it happened, when the musician played, that the hand of the LORD came upon him.

16 And he said, “Thus says the LORD: “Make this valley full of ditches.”

17 For thus says the LORD: “You shall not see wind, nor shall you see rain; yet that valley shall be filled with water, so that you, your cattle, and your animals may drink.”

18 And this is a simple matter in the sight of the LORD; He will also deliver the Moabites into your hand.”

This is such a powerful statement that Elisha makes here, this is a call to go to work if you want to receive the blessing of the miracle of the Lord. What Elisha has said here is that we need to work toward the miracles that we call upon the Lord to deliver to us. He goes on to explain that we may not even understand what we are called to do. We may not fully understand that the call of God that is upon our heart is moving us to do what appears to others to be foolish.

## La reflexión del pastor

2 Reyes 3:15-18

15 Mas ahora traedme un tañedor. Y mientras el tañedor tocaba, la mano de Jehová vino sobre Eliseo,

16 quien dijo: Así ha dicho Jehová: Haced en este valle muchos estanques.

17 Porque Jehová ha dicho así: No veréis viento, ni veréis lluvia; pero este valle será lleno de agua, y beberéis vosotros, y vuestras bestias y vuestros ganados.

18 Y esto es cosa ligera en los ojos de Jehová; entregará también a los moabitas en vuestras manos

Esta es una poderosa declaración que Elisha hace aquí, esto es una llamada de ir a trabajar si usted quiere recibir el milagro y la bendición del Señor. lo que Elisha ha dicho aquí es que necesitamos trabajar para preparar el terreno para los milagros que esperamos que el Señor nos entregue a nosotros. El nos explica que posiblemente no comprendemos para lo que hemos sido llamados a hacer. Nosotros talvez no podemos comprender completamente el llamado que Dios ha hecho en nuestro corazón y que nos esta moviendo a hacer lo que a otros les parece insensato.

Mire a Noe . Dios le dijo que construyera un barco. El obedeció pero parecia que no tenia sentido. ¿No había lluvia y ningún lago; qué iba él hacer con un barco? Mas él supo que Dios lo había llamado a

Look at Noah. God told him to build a boat. He obeyed but it did not seem to make sense. There was no rain and no lake; what was he going to do with a boat? Yet he knew that God had called him to build a boat and that is what he was going to do. HE WAS GOING TO GO TO WORK AND DO AS HE WAS INSTRUCTED.

Church, are you prepared to do as you are instructed to do? We have a need to have the cattle watered. We have a city to take. God will give it to us if we stay faithful to our call.

What does it mean to stay faithful to the call? We need to pay attention to the idea that we are Christians first. Church: that is our first identity. As such, we are called to the last commandment that Christ gave us in Matthew 28. We must go and make disciples. That is the ditch that we must dig. We are called to lift Jesus high. He will do the drawing. This year, we started a program on inviting people to the church, that live in this area, a practice that we must continue. Church, are you being faithful to this calling? You must ask your friends that are not part of the body of Christ to come and see, come and hear and just come, come.

You acted as did Elisha, you called for a musician; God sent the musicians. So let us give God the praise by doing as he says. We are

construir un barco y eso es lo que él iba a hacer. EL IBA a IR a TRABAJAR Y HACER COMO el se le havia ordenado Iglesia, estas tu preparada para obedecer a lo que as sido llamada hacer?

tenemos una nesecidad de tener el pasto regado ,nosotros tenemos una ciudad para tomar.Dios nos la dara si nos mantenemos con fe a nuestro llamado.

Que significa mantenerme con fe en mi llamado?necesitamos poner atencion primero a la idea de que somos cristianos, Iglesia : esa es nuestra primera identidad , asi como somos llamados al último mandamiento que Cristo nos dio en Mateo 28. Debemos ir y hacer discípulos. Eso es la zanja que debemos cavar. Somos llamados a levantar a Jesús en alto. El hará el dibujo. Este año, nosotros comenzamos un programa de invitar personas a la iglesia, que viven en esta área, una práctica que debemos continuar. ¿Iglesia, esta usted siendo fiel a este llamado ? Usted debe preguntar a sus amigos que no son aun parte del cuerpo de Cristo que vengan a ver, vengan a ver y oír , vengan ,vangan.

Usted actuó como hizo Elias, usted pidio por un músico; y Dios envió a los músicos. Así que demos nosotros a Dios el elogio haciendo como él dice.

Acabamos de empezares a tener un servicio de culto que esta respondiendo de la manera que uno espera de una iglesia que es ambos, pentecostal y Carismático

What is “Rethink Church” all about? The “Rethink Church” study, conducted by Pastor Jeff Kanost over the past four weeks has caused us to take inventory of ourselves, so we can better love and reach out not only to each other but to new people. Pastor Jeff said ...it is not that we are not a loving and caring congregation, but sometimes we get comfortable and in a routine. Rethink Church causes us to become more aware of the great diversity that surrounds us. Pastor Jeff will be offering more training classes to those who could

## Around Epworth & Other Places

### Happy Thanksgiving Everyone!

Congratulations to all the young people who have gone off to college. You're our future so please go forth and do things both great and small. Without a formal education, your future can be greatly diminished. Now you can accomplish some things without an education, but it becomes a lot harder to open doors because the doors are often locked and bolted if you don't get an education beyond high school, except for the lower paying jobs. So if you are able, seek higher ground now to help you to "be all you can be."

In the black community, as the old saying goes, the revolution is over before we get the information. But here's something I just learned. If you are a property owner and have a child, or children, if you put their name(s) on the deed, if you pre-decease them, as your heir(s), they become exempt from capital gains taxes and don't have to go through probate. Because their name(s) is/are on the deed, they are already owners. But before you run to do that, get legal advice, because the lender--if there's a mortgage--could call in the note. You know the old adage, "look before you leap." But it's certainly worth a look-see. Just thought I'd pass that info along.

We just completed our 6th annual Rhythms of Life Holy Hook-Up revival. Not sure what name we're operating under in the future. Pastor will decide. The problem with the name, Rhythms of Life, Pastor says, it doesn't give him anything to hold on to like "hook-up." He says he has to connect with something and "rhythms" don't cut it. Also, Comcast on Demand was too sophisticated--too many steps for the average person, I'm told. But hope we can get an earlier start for 2010. It is certainly a worthwhile project. Any

ideas or suggestions would be greatly appreciated. Don't know yet if we will have an appreciative inquiry meeting.

Now with the lull after the revival, I will really be concentrating on the history update. Your cooperation will be greatly appreciated. And, please read this disclaimer: Please be advised that your participation in the history update of Epworth UMC is strictly voluntary. There is no remuneration and you give the author and the Church your permission to edit and publish this information along with your photograph. And I would like parents of minor children to sign a waiver as well authorizing our ability to interview, photograph them and publish their interview. Also, please know that it is not mandatory to be a member of Epworth to be in the book. Remember, first and foremost, I am a historian, so any history about Epworth by anybody, is welcomed.

Also, If you have questions, comments, or whatever, about my newsletter article, please feel free to give me a call. I'm open to your feedback and suggestions. Perhaps there's something you'd like to know more about or comment on something. If you don't speak up, I won't know.

### Favores

Mientras el mundo da la vuelta, mucha gente sólo pasa por el.  
Cuando tenemos que parar y ayudar, o al menos se parar y intentar.  
No hay necesidad de agradecer, el placer es mio.  
Por lo que doy hoy, sé que,se me regresara con el tiempo.  
Así que he hecho esto por usted, con la esperanza de vuelta.  
Que alguien en necesidad se convertirá en su preocupación.  
No espero que lo hagas hoy.  
Sólo pido que ayudes, a alguien, en algún lugar, en el camino.

NO.039

To get something you never had, you have to do something you never did.

When God takes something from your grasp, He's not punishing you, but merely opening your hands to receive something better.

The will of God will never take you where the Grace of God will not protect you.

Author: Unknown

### **When You Realize**

There comes a point in your live when you realize:

Who matters,  
Who never did,  
Who won't anymore...  
And who always will.

So, don't worry about people  
From your past,  
There's a reason why they didn't  
Make it to your future.

Give your flowers to everyone.

tienes que hacer algo que nunca has hecho.

Cuando Dios toma algo de tu alcance, Él no te esta castigado, sino que esta abriendo tus manos para que resibas algo mejor.

La voluntad de Dios nunca te llevará a donde la Gracia de Dios no te protega.

### **Cuando te das cuenta**

Llega un momento en tu vida cuando te das cuenta de:

Quien importa,  
¿Quién no lo fue,  
¿Quién no sera ...  
Y quien siempre sera.

Por lo tanto, no te preocupes por la gente  
De tu pasado,  
Hay una razón por la cual no  
Llegaron a tu futuro.

Déle a su flores a todo el mundo.
